

Biographical Sketch

Elsa M. Soto (she/her/ella) is the Director of Equity and Inclusion in Engineering Program at UIC College of Engineering (COE). She is also a second-year doctoral student at the University of Illinois Urbana-Champaign, pursuing an EdD in Education Policy, Organization, and Leadership, with a concentration in Diversity and Equity in Education. Her research interests include gender equity in engineering and the sense of belonging and self-efficacy of women of color in STEM. Elsa is a UIC alumna and has served the UIC community as a working professional for over 17 years. She is a first-generation American and college student, a native of Chicago, and daughter of Mexican immigrants.
